

IPM

Inner Peace Movement®

BROADCAST MEDIA

The Inner Peace Movement® program has been the forerunner, since the 1960's, in discussing and clarifying topics such as dreams, ESP experiences, life after death, guardian angels, and how to master life purpose.

IPM speakers and touring representatives have been special guests on over 20,000 radio and TV programs in the U.S. and over 40 countries around the world.

Since 1965, IPM speakers have been asked back to share their experiences. They help people clarify the depth and scope of their life experiences and recognize how their choices affect their physical situations of health, well being, success and ability to reach their potential.
