## SMART RXR

We have been in the business of RF power amplifiers for over 35 years and have the most extensive line of amplifiers in the nation.

For our customers that need something special, we do custom amplifiers to fit just about every sector, including Government, Security and Medical.

Check out our SMART RXR. This amplifier gives you many features that can make your communication needs easier to meet.

Our web site has the many amplifiers that we carry, along with their features. If you don't see what you need there, check our 'special products' page where you can fill out the form which gives us your requirements, and we'll get back to you with a quotation.

We look forward to hearing from you.
